Faith On-Line

Do you know someone who can't get to Church and isn't comfortable with using the internet? Then this could be for them. Indeed it is for everyone. Please do give the number to those who can't access the online services. For the price of a local phone call you can ring in to listen to someone's favourite hymn, a bible reading, a prayer and a thought for the week. This week the prayer is from Linda Reynolds and the thought for the week is by Revd Tricia. If you would like to contribute to any of these or any parish news, etc... contact: Rev Jean Radley-who would love to hear from you - and please pass the number on. **01539 310125**
